

## BMP Summary Sheet

**MS4 Name:** University of Minnesota, Twin Cities

**Minimum Control Measure:** 2-PUBLIC PARTICIPATION/INVOLVEMENT

**Unique BMP Identification Number:** 2B.01 (MS4 2020: 17.6, 17.7)

**BMP Title:** Consider Public Input

**BMP Description:**

If input regarding the SWPPP is received, the MS4 contact will convene the appropriate subject matter experts for the BMP commented on. At a minimum, the comments will be reviewed and considered by the University Facilities Management civil engineers.

**Measurable Goals:**

Number of public comments received per year

**Timeline/Implementation Schedule:**

Public comments can be submitted at any time

Written comments that result in a modification to the SWPPP will be incorporated into that year's annual report

Written comments will be responded to within 45 days of receipt, if contact information is given

Tracking spreadsheet updated as needed

**Specific Components and Notes:**

- 1) Written comments and responses will be saved here: N:\06.Water\4.0 Stormwater\MS4 Permit Program\MCM 2
- 2) Verbal comments will be accepted and recorded for documentation.
- 3) Responses will be in writing within 45 days of receiving.

**Responsible Party for this BMP:**

Name: Catherine Abene, P.E.

Department: Principal Civil Engineer, Energy Management

E-mail: abene@umn.edu
